Bolen Florist And Camellia Gardens Lucedale, Mississippi

We thank our customers for the business you have given us in the past, and again solicit your orders for this season.

We also solicit orders from new customers, assuring you that our stock is of the best Quality that experience, good cultivation and favorable growing conditions can produce.

A Certificate of inspection will accompany each order.

Place orders early if convenient to do so, as some varieties or sizes might be sold out before the season is over.

Ten or one hundred assorted varieties at the ten or hundred rate.

Terms cash or one fourth cash and balance C. O. D. Packing free when cash accompanies order. Prices are F. O. B. Lucedale, Miss.

READ THIS FIRST

Our aim is to grow the best stock that can be grown, and after many years of experience with Camellia Growing, we now have the best values we have ever offered.

Our plants are grown on good soil, transplanted every year for the first few years, which gives them a good root system and they transplant easily to open ground or pots and tubs.

We invite you to visit our nursery as we have many items in too small lots to list, these items include Evergreens in several varieties, (all specimen plants) some deciduous plants and a number of varieties in Camellia Japonicas.

CAMELLIA JAPONICAS

THE ARISTOCRATS OF THE SOUTHERN GARDENS. Delightful winter flowering evergreen that is becoming more popular every year....Ideal cut flower for florists.

It is with satisfaction that we can offer you this superb collection.

As most people understand that Camellia Names have not been standardized, it is practically impossible to know exactly that some of the names are correct, and for this reason we are still giving the best description of the blooms that we can write when plants are in bloom.

CLASS A-1 CAMELLIAS

CHANDERLI ELEGANS

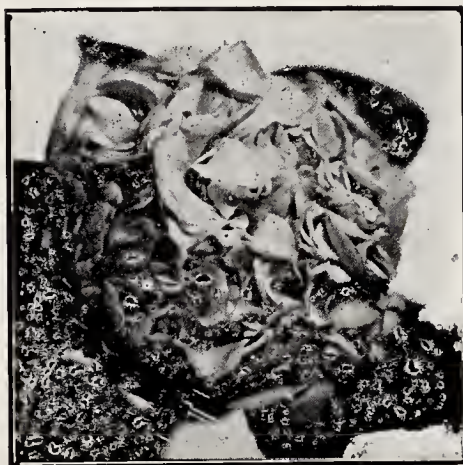

The finest and largest of the peony-type Camellias. Cherry red variegated with white and rose.

MRS. ABBY WILDER

Peony-type white flowers with occasional stripes or spots of pink. Can furnish all sizes listed up to 24-30 inch.

PROFESSOR

C. S. SARGENT

PROFESSOR C. S. SARGENT

Beautiful very double Peony formed flowers, rich deep crimson, begins blooming early in the season....This variety has about 20 outer petals and a turft of 240 or more smaller petals in center.

DUCHESS DE RHOAN

Fluffy peony-type pink, same shade of pink as the Mrs. Charles Bell rose. Blooms midseason until late.

PINK PERFECTION

Very double medium size flowers of delicate pink. Blooms heavily early in the season.

MISS DORA McCARTER

Large single white flowers with yellow stamens. This is the best single white we have seen, fine for cut flowers.

(We named this variety in honor of the one in whose garden it originated.) Can furnish all sizes up to 24-30 inches.

COUNTESS POLYANNA MAGGII

Very large double white with an occasional pink spot. Blooms from midseason until late. Can not furnish this variety in larger size than 24 to 30 inches.

WILLIAM S.

HASTIE

WILLIAM S. HASTIE

Very large double deep vermilion red, blooms from mid-season until late. The form of the flower is very much like Alba Plena. Good grower and good bloomer.

ELLEN McKINSEY

Flowers are double fluffy peony-type, pink striped and spotted with white, has a few stamens intermixed with petals. Begins blooming very early and continues to bloom throughout the season.

PRICES ON CLASS A-1 CAMELLIAS.

36 to 40 in. B&B Specimen.....	5.00	40.00	
40 to 48 in. B&B Specimen.....	7.00	60.00	

Can furnish Prof. C. S. Sargent in much larger sizes up to 7 feet.

CLASS A. CAMELLIAS

Class A includes good kinds, some are as good as the A-1 but more plentiful and can be sold cheaper.

DUKE DE ORLEANS

Very double large Peony-form flowers. Creamy-white flaked and dotted with rose. One of the earliest to begin blooming and continues to bloom throughout the season. Has stamens intermixed with the petals. Blooms has an azalia-like odor, very compact grower, is suitable for growing out doors or in pots and tubs.

DUCHESS D'ORLEANS

Very double waxy-white, good grower free flowering. Blooms from early January into March.

HARLEQUIN

Full, double Peony-form flowers. Form and size resembling Prof. Sargent. Varigated white and pink.

GLOIRE

DE

NANTES

GLOIRE DE NANTES

Flowers very large, semi-double cerise, center filled with long yellow stamens. Beautiful large dark green foliage, that makes the plant unusually attractive as an ever-green. The Blooms stand out above foliage in a way that we have not seen in other varieties. This is the largest of the red varieties we know of and attracts much attention when in bloom.

MADAM STREKALOFF

Beautiful large soft rose, has small stripes of crimson. Has about 60 large outer petals and 24 to 30 smaller petals in center, the blooms are very attractive and fluffy.

REIN DE FLEURIS

Rich Vermillion red flaked with white, very double of perfect symmetry.

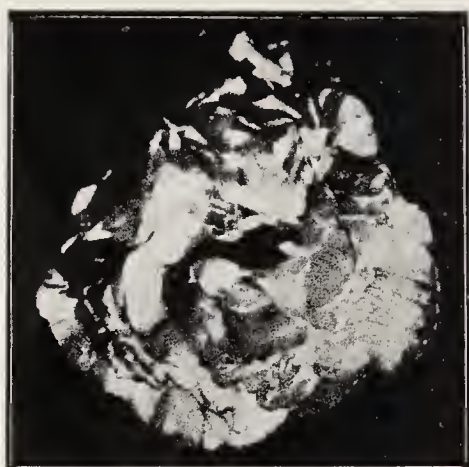

REV. JOHN BENNETT

Double salmon pink, large loose petals with center petals intermixed with stamens, good compact grower.

LOREIN

Double rose mottled with white. Has nice heavy foliage, good grower and good bloomer. Can furnish this variety in size 24 to 30 inches and larger.

NOBLISSIMA

NOBLISSIMA

Full double peony-type white, Petals intermixed with yellow stamens. Begins blooming early in the season.

AMERICANA

Double soft pink with very small stripes of deeper pink.

MADONNA

Large double shell pink, sometimes has small rose colored stripe.

LADY

CAMPBELL

LADY CAMPBELL

Deep rose to light red, very double.

SINGLE VARIGATED

Medium single flowers, white and pink varigated, good compact grower, shows up well as a Lawn specimen.

NO. 44 (Name unknown)—Medium size double red blooms splotted with white. Good grower and heavy bloomer. Can not furnish this variety in smaller size than 24 to 30 inches.

PRICES ON CLASS A CAMELLIAS
